Policy Statement Regarding Publication in this Proceedings Book of Material Presented at the 1986 Convention of this Association v

Section Chiefs for 1986 Program vi

Reviewers vi

Foreword vii

PART I

Reproduction

Differential Diagnosis of Enlarged Ovary in the Mare
G. S. Frazer and W. R. Threlfall 21

Pregnancy Loss in the Mare
G. L. Woods and B. A. Ball 29

Ultrasonic Diagnosis and Management of Early Twins in the Mare
Thomas Bowman 35

Biophysical Mechanism Associated with Uterine Defense Against Infection in the Mare
I. K. Liu, P. Williamson and M. J. Evans 45

A Practical and Simple Surgical Technique for Repair of Urine Pooling in the Mare
G. Michael Shires and A. J. Kaneps 51

Detection of the Carrier State in Stallions Persistently Infected with Equine Arteritis Virus
Peter J. Timoney 57

Clinical Pathology

Interpretation of Erythrocyte and Leukocyte Responses, Dynamics of Plasma Proteins and Assessment of Fibrinogen
James L. Becht ..... (See Part II)

Interpretation of Electrolyte Abnormalities in Clinical Disease in the Horse
Thomas J. Divers, David E. Freeman, Ellen L. Ziemer and James L. Becht 69

The Biochemical Evaluation of Liver Function in the Horse
Stephen M. Reed and Frank M. Andrews 81

Diagnosis of Muscle Disease in the Horse
Frank M. Andrews and Stephen M. Reed 95

Pediatrics

Approach to the Non-referred Neonatal Foal
James B. McKee, Jr., James L. Becht and Gail C. Murray 107

Equine Neonatal Thoracic Radiography; a Radiographic-Pathologic Correlation
Robert L. Toal and Timothy Cudd 117

Studies of Naturally Occurring and Experimental *Rhodococcus equi (Corynebacterium equi)* Pneumonia in Foals
A. A. Ardans, S. K. Hietala, M. S. Spensley and A. Sansome 129

Immunoglobulin Concentration and Blood Chemistry Parameters in the New-born Foal: Relationship to Sex, Type of Dam, Gestation Length and Mare Serum and Colostrum Concentrations
Robert K. Shideler, Edward L. Squires and Meta Osborne 145

Parenteral Nutrition in Foals
Thomas O. Hansen 153

Abnormalities of the Neonatal Umbilicus Detected by Ultrasound
Virginia B. Reef 157

Medicine

Preface to the Papers Given in this Session
N. A. White 165

Introduction to Antibiotics: Groups and Classification
Gordon W. Brumbaugh 167

Penicillins and Cephalosporins
Shauna L. Spurlock and Jeffrey R. Wilcke 175

Aminoglycosides
Murray P. Brown and Ronald Gronwall 183

Tetracyclines, Chloramphenicol and Macrolide Antibiotics
Gordon W. Brumbaugh 189

Miscellaneous Groups of Antimicrobial Agents—Sulfonamides, Trimethoprim, Rifampin, Metronidazole, Spectinomycin, Vancomycin and Polymyxin
Thomas J. Divers, Raymond W. Sweeney and Sar Perkons 195

Antibiotic Combinations
Gordon W. Brumbaugh 201

Antibiotic Prophylaxis in Equine Surgery—Fact or Fiction?
Murray P. Brown 205

Use of Antibiotics in Foals
G. Kent Carter and Scott A. Brown 209

Antimicrobial Therapy in Equine Gastrointestinal Disease
Thomas J. Divers and Jonathan E. Palmer 223

Antimicrobial Use in Equine Respiratory Disease
Shauna L. Spurlock 229

Antibiotic Use in Reproductive Disease
A. C. Asbury 233

Antibiotic Use in Musculoskeletal Disease
C. Wayne McIlwraith 241

Respiratory System

Stress and Its Effect on Equine Pulmonary Mucosal Defenses
W. M. Bayly, H. D. Liggitt, Laurel J. Huston and W. W. Laegreid 253

Exercise-Induced Pulmonary Hemorrhage—An Update
John R. Pascoe, Michael W. O'Callaghan, Walter S. Tyler and D. Keith Mason 263

Foal Pneumonia
Walter W. Zent 269

Update on Respiratory Vaccines in the Horse
Irwin K. M. Liu 277

Obstructive Disease of the Upper Respiratory Tract: Current Thoughts on Diagnosis and Surgical Management
Peter F. Haynes 283

Pathophysiology of Coughing
N. Edward Robinson 291

New Topics in Treating Respiratory Disease
Jill Beech 299

Immunotherapy of Equine Infectious Rhinopneumonitis
Harry Leneau, Paul Steinmeyer and
William L. Ragland .....(See Part II)

Orthopedics and Surgery

Radiographic Changes in the Navicular Bones of Normal Horses
Tracy A. Turner, Stephen K. Kneller, Robert R. Badertscher
and Jonathan L. Stowater 309

Navicular Disease Management: Shoeing Principles
Tracy A. Turner .....(See Part II)

Surgical Management of Middle Phalangeal Fractures and High Ringbone in the Horse: a Review of 16 Cases
Mark C. Rick, Douglas Herthel and Charles Boles 315

A Review of Current Concepts in the Therapy of Infectious Arthritis in the Horse
Alicia L. Bertone and C. Wayne McIlwraith 323

Management of Lower Leg Wounds with Delayed Closure in Horses
G. M. Baxter, R. E. Doran and J. N. Moore 341

The Use of N-Butyl Cyanoacrylate in the Treatment of Open Leg Wounds in the Horse
James Blackford, Michael Shires, Dallas Goble, Dennis
Geiser and Jean-Pierre Held 349

Conservative Management of Metacarpophalangeal Instability
Jack R. Snyder, John D. Wheat and Dana Bleifer 357

Superior Check Desmotomy as a Treatment for Superficial Digital Flexor Tendonitis: Initial Report
L. R. Bramlage 365

Surgical Removal of Metacarpal/Metatarsal Exostoses
Spencer M. Barber, John P. Caron and John W. Pharr 371

An Overview of Endoscopic Laser Surgery: Three Clinical Cases in the Standing Large Animal
L. P. Tate, H. C. Newman, Corinne L. Sweeney, J. Fetrow
and C. W. Raker 385

Medical Specialties

Vesicular Stomatitis
Dwight G. Bennett 399

Potomac Horse Fever: Clinical Signs, Diagnosis and Treatment
Robert H. Whitlock and Jonathan E. Palmer 405

Lyme Disease in Horses
John E. Post, Eric Shaw and Frank Palka 415

Recurrent Esophageal Obstruction in the Horse: Neurologic Considerations
Eleanor M. Green, Jerome E. Roth and Robert C. McClure 423

Laboratory Diagnosis of *Anoplocephala Perfoliata* Infection in Horses
Gregory A. Beroza, Leonard C. Marcus, Rosemarie Williams and Susan M. Bauer 435

Risk Factors and Clinical Signs Associated with Cases of Equine Colic
Nathaniel A. White and Pierre Lessard ..... (See Part II)

Intravenous Use of Dimethyl Sulfoxide (DMSO) in Horses: Clinical and Physiologic Effects
Linda L. Blythe, A. M. Craig, L. H. Appell and E. D. Lassen 441

Nasopharyngeal Cicatrix in Horses
David V. Hanselka and James Schumacher 447

Lameness

Hoof Wall Resection as a Treatment in Laminitis
R. F. Redden ..... (See Part II)

The Bucked Shin Complex
D. M. Nunamaker 457

Shoulder Lameness in Horses: Diagnosis and Differential Diagnosis
Sue J. Dyson 461

The Use of Hyaluronic Acid in the Racehorse
Richard H. Galley ..... (See Part II)

Unusual Hock Problems
T. N. Phillips ..... (See Part II)

Hind Leg Lameness in the Dressage Horse
J. G. Merriam ..... (See Part II)

Radiology

Computed Tomography in the Horse: General Principles and Clinical Applications
David D. Barbee and Jennifer R. Allen 483

Nuclear Scintigraphy of the Equine Skeletal and Pulmonary Systems: Overview of the Technique, Its Capabilities and Limitations
A. R. Twardock, R. V. Allhands, M. J. Boero, G. J. Baker and S. K. Kneller 495

Sinography in the Horse
Charles S. Farrow 505

The Diagnosis of Deep Muscle Abscesses Using Two-dimensional Real Time Ultrasound
David A. Hager 523

Stifle Radiology: How to Perform an Examination and Interpret the Radiographs
Timothy R. O'Brien, Thomas W. Baker and Philip Koblik 531

Distal Extremity Examination: How to Perform the Radiographic Examination and Interpret the Radiographs
Timothy R. O'Brien and Thomas W. Baker 553

PART II

General Practice

The Veterinarian as an Expert Witness
James F. Wilson 571

Putting Your Management Problems in Perspective
Robert E. Lewis 577

Improving Profit through Budgeting
Robert E. Lewis 581

The Veterinarian's Role in the Horse Industry
Don Burt 583

The Economics of Colic Surgery
M. H. Riegger 591

Clinical Pathology

Interpretation of Erythrocyte and Leukocyte Responses, Dynamics of Plasma Proteins and Assessment of Fibrinogen
James L. Becht 605

Respiratory System

Immunotherapy of Equine Infectious Rhinopneumonitis
Harry Leneau, Paul Steinmeyer and William L. Ragland 615

Orthopedics and Surgery

Navicular Disease Management: Shoeing Principles
Tracy A. Turner 625

Medical Specialties

Risk Factors and Clinical Signs Associated with Cases of Equine Colic
Nathaniel A. White and Pierre Lessard 637

Lameness

Hoof Wall Resection as a Treatment in Laminitis
R. F. Redden 647

The Use of Hyaluronic Acid in the Racehorse
Richard H. Galley 657

Unusual Hock Problems
T. N. Phillips 663

Hind Limb Lameness in the Dressage Horse
J. G. Merriam 669

Appendix I. **Index—Proceedings Books of the American Association of Equine Practitioners, 1956-1986**

A. Subject Index 681

B. Author Index 749
